with a Private Concert Featuring William Beckmann

THE MIRACLE LEAGUE OF SAN ANTONIO is an

organized baseball league which allows children with disabilities to play on a field made just for them... the first of its kind in our community! Each game is played at The

Mays Family Field of Dreams, a custom-designed field of cushioned synthetic turf that accommodates wheelchairs and other walking assistance devices, while helping to prevent injuries. The league is for children of all ages and each Miracle League baseball player is assigned a “buddy” who assists them with hitting the ball and rounding the bases. Buddies are fellow schoolmates, parents, siblings, college students, business leaders... anyone who wishes to volunteer their time to give a child the gift of baseball.
